Dear Sirs,

Enclosed please find a decision on Appeal for Funding Year 2002-2003 notifying us of a complete denial.

We would like to appeal this decision

Please be aware of the following:

- 1) We were not notified of any claim of late filing until November 22, 2002. This was ten months after the fact. Had we known that our application was filed late we would not have continued services to the extent we did.
- 2) In fact the forms were not late! We called for Airborne Express on the 17th of January. There was inclement weather *on* that date and Airborne did not pick up until the 18th.

No. of Copies rec'd 0+2
Ltr. ABCDE

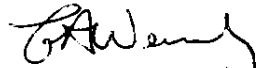

Why should we be penalized for this unforeseen situation? If your office deemed this a late submission, why did it take till November 22, 2002 to notify us? Had we known, we would have had the option to discontinue services as of July 1, 2002.

SLC was corresponding with us numerous times throughout the year 2002. Never was one word mentioned of a late filing. They requested all types of information we which constantly provided on a timely basis. Why was there never a mention of a late filing?

Is it fair to notify a school ten months late! Please review this appeal and notify us of a favorable decision.

Thank you.

Sincerely,
